# 2022 CORPORATE CHALLENGE

SEPTEMBER AND  
OCTOBER 2022

**GOAL:** TO UNITE COMMUNITY  
CORPORATIONS IN A HEALTHY,  
COMPETITIVE WAY

# CHALLENGE PURPOSE

We're excited for the first annual Corporate Challenge. This is an opportunity to unite the community in a fun, healthy, competitive way. We want to rally around providing healthy meals and snacks for families in Hinds and Rankin county since food scarcity can impact a child's ability to learn and grow. To help further our goals of social responsibility and youth development, the YMCA offers a feeding program. Due to the generous donations of those in Hinds and Rankin county, the YMCA provided over 100k healthy meals and snacks last year. We would love to provide more healthy food to children this year.

## CHALLENGE OUTLINE

We are inviting corporations throughout Hinds and Rankin counties to participate in team events. Corporation teams can participate in as many or as few events as desired. All events can include family members and friends ages 16+ if approved by the company. Teams must be 50% company employees and can win individual events. Corporations are scored on how well your team does in each event and will be calculated after the last event. At the end of the challenge, awards will be given to 1st, 2nd, and 3rd place companies. Exact dates and times for each event will be announced later. In addition to having teams in the challenge, corporations can sponsor the challenge. See page 4.

The Y is, and always will be, dedicated to building healthy, confident, connected, and secure children, adults, families, and communities. Every day our impact is felt when an individual makes a healthy choice, when a mentor inspires a child, and when a community comes together for the common good.
